## Printing:

You can take (or send) your files to a local print shop or print them at home on your personal printer. Online sites: [mpix.com](http://mpix.com), [staples.com](http://staples.com), [walgreens.com](http://walgreens.com), [snapfish.com](http://snapfish.com), [shutterfly.com](http://shutterfly.com) [vistaprint.com](http://vistaprint.com)

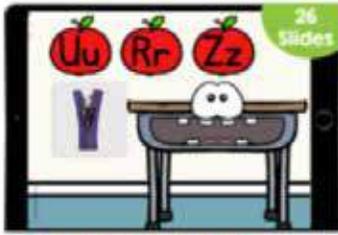

## Paper Type:

Heavyweight paper like 110 lb cardstock works the best. Semi-gloss or luster photo paper works great too.

## Prepping:

For activities that involve playdoh, dry erase markers, repetition (like removing velcro), it is recommended that you cut the cards, shapes, etc. Then laminate your printables and the pieces.
